More than **730** employees in the Bodet group offer you support every step of the way.

Bodet is more than a supplier.
We are your partner in sports!

Since the creation of the company in 1868, and with its long experience in time measurement, Bodet has established itself as a brand reference.

A worldwide network of subsidiaries and distributors allows for a personalised approach.

The need for quality

To ensure the highest level in quality, Bodet never ceases to invest in its production and development tools.

The company is ISO 9001 certified in all its activities and the production site is ISO 14001 certified.

Bodet indoor and outdoor equipment has a 2-year warranty and all the LED components have a minimum life span of 10 years.

Well advised, well supported

With a technical and commercial presence worldwide you benefit from a quick response.

To support you on a daily basis Bodet offers technical support to answer your questions in the shortest possible time.

Innovation on all fronts

From scoreboards to LED video solutions, innovation is at the very heart of Bodet's strategy, adopting the very latest software and hardware technologies.

Our main strength: French manufacturing

Our products are manufactured in France at our factory based in Trémentines, which has proudly retained all the crafts required for the production process.

BODET SCOREPAD

With this touchscreen device, you will find it easy to manage all of our indoor and outdoor sports display media. Scoreboards and LED video screens.

Winning Solutions

8000 range: New generation of scoreboards

We have redesigned our range of scoreboards to bring you a modern, energy-efficient range of equipment! This energy efficiency is achieved using new single-row LED digits and new LEDs that are more powerful and still highly legible to the audience.

Multisport for indoor

Simple and efficient scoreboards that include, in a compact format, the main scoring elements of indoor sports facilities. With perfect legibility, shock protection and anti-glare, our scoreboards are designed to last you in the long term and stay suited to your sporting needs.

Aquastyle

Aquastyle is a solution comprised of LED displays to provide information (pool temperature, air temperature, time, etc.) in different areas of the swimming pool: reception area, indoor pool, outdoor pool.

Its main advantage?

Wireless system (radio communication): ease of installation and reduced cabling costs

Aquastyle provides a high-impact digital signage media for your audience!

LED display
Aquastyle Pool

Enabling the highest achievements in all sports

Ergonomic, light, easy to carry and to store...
Whatever your sport and playing level,
Bodet Sport has produced the scoreboard
that will suit your needs.

17:08
23:03

A Champion of all Disciplines

We have designed scoreboards with tropicalised electronics that are resistant to cold and to high-humidity environments. Perfectly adapted to national and international ice-hockey competitions, this scoreboards can display up to three penalty timers with the involved players' names.

The luminosity of the scoreboard can be adjusted from the Scorpad keyboard at any time during a game.

Bodet Sport combines high quality with innovation

Bodet Sport manufactures practical
and innovative scoreboards
so you can get on with playing.

Passion for the game

2000 range: Outdoor scoreboards

- Our scoreboards are designed to face all weather conditions:
- Weatherproof (IP54),
 - Shockproof aluminium construction (IK07),
 - Legibility even in full sun with anti-glare coating and high-luminosity LEDs.

For high level competitions, our products can be interfaced with TV control system equipment (inlay of live scores on video screens).
